

“King Lion Battle Royale” (NFT)

**KING LION BATTLE ROYALE (NFT) CREATED
BY ANGEL INVESTOR OMAR DYER**

Non-Fungible Tokens under the Mad Comedian blockchain, and Omar Dyer Blockchain, are digital assets that are now collectibles in Art, also known

as meme art. Ugly Black Man as an NFT was created using digital animated software in Web 2.0, and designed by Omar Dyer as an avatar NFT, protected by trademark licenses.

The King Lion Battle Royale Brand is a non-fungible token that uses the name, image, and likeness of Omar Dyer. This is a collectible that is known as “Meme Art” which has been organized on a blockchain. The purpose of this blockchain is to organize a collectible item onto a convertible asset blockchain.

KBLR is apart of the Real Comedians From Da Hood’s copyright, as a storyline of the syndicated show.
